

The review talks indicate the subject for the session. There is to be a refereed conference proceeding for all talks listed below in the Publications of the Astronomical Society of Australia, deadline March 1st, 2004. The electronic template file will be emailed to all speakers.

Monday 24th November

Coffee

Session Chair: **Ken Freeman**

9.30 -- 9.45 **Joss Bland-Hawthorn** -- Welcome

9.45 -- 10.30 **Simon Driver (35+10)** -- Luminosity Functions & Environs (REVIEW)

Coffee

11.00 -- 12.30 **Matthew Colless (25+5)** -- Luminosity Functions in the 2dFGRS
Helmut Jerjen (25+5) -- The Faint End of the Optical Galaxy LF
Frank Briggs (25+5) -- The Faint End of the HI Galaxy LF

Lunch

Session Chair: **Elaine Sadler**

2.00 -- 3.30 **Jon Davies (45+10)** -- Low Luminosity Galaxies (REVIEW)
Gary Da Costa (25+5) -- Stellar Populations in Dwarf Ellipticals in
Nearby Groups
Geraint Lewis (5) -- The Canis Major Dwarf: the Closest Galaxy?

Coffee

4.00 -- 5.00 **Michael Drinkwater (25+5)** -- Ultra-compact Dwarfs in Fornax Cluster
Matthew Coleman (25+5) -- Substructure in Dwarf Galaxies

Bar

Tuesday 25th November

Coffee

Session Chair: **Rick Fisher**

9.30 -- 10.30 **Matthias Steinmetz (45+15)** -- The TF Relation & Properties of Galaxies
(REVIEW)

Coffee

11.00 -- 12.45 **Stephane Courteau (25+5)** -- The TF Relation in Barred Spiral Galaxies
Ken Freeman (25+5) -- The TF Relation and Dark Matter
Sebastian Gurovich (20+5) -- The Baryonic TF Relation
Tom Jarrett (15+5) -- The 2MASS survey

Lunch

Session Chair: **Rachel Webster**

2.15 -- 3.45

Jim Peebles (45+15) -- The Cosmic Inventory (REVIEW)
Lister Staveley-Smith (25+5) -- The Baryon Mass Function

Coffee

4.15 -- 5.15

Dan Pisano (25+5) -- Gas Content in Galaxies
Sylvain Veilleux (25+5) -- Missing Baryons and Galactic Winds

7.00 -- 10.00

Conference Dinner on Sydney Harbour (Vagabond Cruises) leaving
promptly from Man o' War steps at Sydney Opera House

Wednesday 26th November

Coffee

Session Chair: **Matthias Steinmetz**

9.30 -- 10.30

Will Saunders (45+15) -- Local Supercluster Structure & Dynamics
(REVIEW)

Coffee

11.00 -- 12.45

Rachel Webster (25+10) -- HIPASS Survey and Local Structure
Tom Jarrett (25+10) -- 2MASS Survey and Local Structure
Kenton d'Mellow (25+10) -- The IRAS Dipole: The Last Word?

Lunch

Session Chair: **Brian Boyle**

2.15 -- 3.45

Ofer Lahav (45+15) -- 2dFGRS as a Cosmological Laboratory (REVIEW)
Brent Tully (25+5) -- Light on Dark Matter

Coffee

4.15 -- 5.15

Jim Peebles -- Conference Summary and Future Prospects
